

**Lage Raho Munna Bhai:
sung by Sonu Nigam and Shreya Ghoshal**

Pal pal, pal pal, Har Pal, Har Pal Kaise katega pal, har pal har pal
Pal pal, pal pal, Har Pal, Har Pal Kaise katega pal, har pal har pal

Moment, moment, how will each moment pass ..

dil dil dil dil main machi hai machi machi hai hulchal hulchal
Kaise katega pal, har pal har pal

My heart is anxious and afflutter
How will this moment pass?

Pal pal, pal pal, Har Pal, Har Pal Kaise katega pal, har pal har pal

O Humsafar .. lagta hai darr .. O my darling .. i feel afraid ..
Raat kate na.. kabhi ho sahar.. may the night never end and the dawn never come..
is pal main simate umar may our entire lifetime fit into this one moment
Raat kate na.. kabhi ho sahar.. may the night never pass and the dawn never come..

tu jo hai saath mere to dagar with you by my side, the journey itself
lage ki jaise khoobsoorat ghar seems like a beautiful destination

tu jo hai saath to yeh ambaar with you by my side, this open sky
lage ki jaise saaya ho sar par seems like a shade over my head

tere kaandhe par rakh kar sar with my head on your shoulder
yun hi kat jaaye saari umar may my life pass by

Pal pal, pal pal, Har Pal, Har Pal

kal kya ho .. kisko khabar.. what will happen tomorrow .. who knows ..
lagta hai darr lagta hai darr i feel afraid .. i feel afraid
is pal main simate umar .. may my entire life fit into this one moment
raat kate na .. kabhi ho sehar may night never pass . and the dawn never come

accha batao .. ok, tell me..

dil ki itni saari baaten kaise likhoge is chhote khat par
how will you fit all the matters of your heart into this little note?
dil par toota hai yeh kaisa kahar tumko pa kar khone ka hai dar
what a dilemma my heart is in, it's afraid of losing you ..

pyaar ka yeh dhai aakhar.. kaise likhoge is chhote khat par
how will you write the letters of love onto this little note?

Pal pal, pal pal, Har Pal, Har Pal Kaise katega pal, har pal har pal
Pal pal, pal pal, Har Pal, Har Pal Kaise katega pal, har pal har pal

dil dil dil dil main machi hai machi machi hai hulchal hulchal
Kaise kategar pal, har pal har pal
